Statement of Understanding

I, _____, parent/guardian of **«First_Name» «Last_Name»** am aware that my child must maintain satisfactory academic and conduct grades as outlined in the Student Contract (***academic and conduct grades of C or higher in all courses and effort grades of 2 or higher***) in order to remain eligible for the Middle Years Programme at our school. Also, 8th grade students must maintain academic and conduct grade point averages of 2.5 in each subject, complete the MYP Student Portfolio, complete the required number of service hours as well as the Community Project, to be eligible for the Ada Merritt K-8 Center International Baccalaureate MYP Certificate and Pin at the end of grade 8. Initial course assignment is based on previous results on standardized tests and mid-year assessments, as well as grades and teacher recommendations. Changes could be made before school starts in view of 7th grade Standardized Test scores.
